RE: Southeast Telephone v. Kentucky ALLTEL, Case No.
2003-00115

Dear Mr. Dorman:

Pursuant to the Commission's Order of March 5, 2004, please find enclosed a 3.5-inch, high density diskette containing a true and complete copy of the Interconnection Agreement approved by the Commission in Microsoft Word format.

Please be advised that Kentucky ALLTEL submits this diskette without waiving and while specifically reserving all rights with respect to the Interconnection Agreement which it may have. Specifically, as previously set forth in Kentucky ALLTEL's pleadings in this matter and in the Interconnection Agreement, if any actions of state or federal legislative bodies, courts, or regulatory agencies of competent jurisdiction invalidate, modify, or stay the enforcement of any provision of this Interconnection Agreement, then the affected provision will be invalidated, modified, or stayed as required by action of the legislative body, court, or regulatory agency. Notwithstanding anything to the contrary in the Interconnection Agreement, Kentucky ALLTEL does not waive and expressly reserves its rights to appeal or otherwise seek the reversal of and changes in any arbitration decision associated with the agreement, to challenge the lawfulness of the agreement, and to seek changes in the agreement (including,
